Design with *Style...*

A Complete Railing Solution

SHRI CHIMANBHAI HAPANI
FOUNDER

Corporate House

Production Unit

Kich Architectural Products Pvt. Ltd. is Rajkot based India's leading manufacturer in the Premium segment of Architectural Hardware, Glass Fittings, Furniture Fittings, Bathroom Accessories, Railing Systems & Digital Safes. With a vision to deliver superior quality and long lasting durability in Architectural Products category, Kich was established as an export oriented unit in the year 1992. Although having a very humble beginning, Kich grew at a very fast pace due to unmatched quality and unique craftsmanship of its products.

Since inception, Kich has always fulfilled global quality parameters. Kich Architectural Products are the epitome of enduring strength, stunning aesthetics, unique designs and impeccable functionality. With a vast network of more than 57+ product galleries, 2 application centers, 600+ dealers and a team of more than 70 marketing executives across the country, Kich has always been able to deliver uncompromised pre and post sales service support to its customers. Besides being well-rooted in India, Kich has a vast sales and service network in Europe, Middle East and Africa.

With the splendid guidance of its founder Shri Chimanbhai Hapani and under the dynamic leadership of his three sons Mr. Bharat Hapani (Managing Director), Mr. Nitin Hapani (Director: Manufacturing) and Mr. Dinesh Hapani (Director: Export), Kich has always been able to achieve extraordinary progress with customer delight.

To suit its production objectives, Kich operates from a state-of-the-art manufacturing facility which spreads in more than 2,50,000 sq. ft. area in Rajkot. Due to an in-house Design Studio, Tool Room, R&D Division and Product Testing Facility, Kich has succeeded in consistency of product performance. Kich also has multi-facility Corporate House spread across more than 40,000 sq. ft. area which is rewarded with LEED India New Construction (NC) GOLD Rating by Indian Green Building Council (IGBC). This Corporate House empowers Kich to manage its entire pre and post sales service network with a great ease.

NATIONAL AWARD
Kich is the first Indian company to win the National Award for best quality in the premium architectural products category. His Excellency, The Former President of India, Dr A. P J. Abdul Kalam honoured Kich with this prestigious award.

ASIA'S MOST PROMISING BRAND
Kich has been selected as Asia's Most Promising Brand in architectural hardware products category for its innovative marketing strategies, tremendous growth and brand recall. Asia's Most Promising Brands exhibit a research-based listing of the most promising brands across Asia. Research is executed by World Consulting & Research Corporation (WCRC) and ibrands 360. To increase the authenticity, KPMG plays role in process evaluation.

INDIA DESIGN MARK
Kich's Handrail and Baluster Systems as well as Mortice Handles are first such products to get India Design Mark popularly known as I Mark. It is a certification granted by India Design Council, a National Strategic Body for multi-disciplinary Design in India, to those products which have high aesthetic design value, superior user potential, world-class quality and environment-friendly composition.

AL- FUTTAIM EXOVA
Kich's Handrail and Baluster Systems have been successfully tested by Al Futtaim Exova Testing (AFE) - Façade Testing & Advisory Services Division of Exova Group at Dubai in accordance with ASTM E 935-00, ASTM E 985-00 and ASTM E 2353-06 American Standards for Concentrated Load Test, Uniformly Distributed Load Test and Shot Bag Impact Test.

INDIAN POWER BRAND
Kich is the first company selected as Indian Power Brand in architectural products' category by Indian Council for Market Research. Indian Power Brand is a research driven anthology listing out most powerful Indian companies, which are successfully taking on and beating their global competitors in their unique ways.

IGBC MEMBER
Kich is the first member of IGBC (Indian Green Building Council) in the premium architectural products' category to promote the green building movement in India. An application of Kich Product contributes towards valuable 4 LEED points fer green building project certification, because all the Kich products are crafted from raw material, which is recycled as well as recyclable.

Shri Chimanbhai Hapani receiving
NATIONAL AWARD for BEST QUALITY from His Excellency,
The President of India,
Dr. A.P.J. Abdul Kalam at New Delhi

STAR - BRAND
Kich is the first Indian company selected as Star Brand in the premium architectural products category As a conclusion of pan India research of the Indian Council for Market Research (ICMR) on the most impact creating brands of the country Kich was honoured with the status of Star Brand.

GAI AFFILIATE
Kich is an affiliate member of the Guild of Architectural Ironmongers (GAI) UK. Being an affiliate member of GAI signifies that Kich follows professional standards of quality. It also signifies that Kich has high technical expertise of manufacturing and up-to-date knowledge of ironmongery industry.

Corrosion Resistant High Grade Stainless Steel Railing Solution

Tailor Made Railing System

Feasibility depend on Bulk Qty only

Corrosion Resistant High Grade Stainless Steel Railing Solution

Few of Our Prestigious Projects

Kartarpur Corridor - Gurdaspur

Reliance Twin Tower - Mumbai

L&T Crescent bay- Mumbai

NRDA (Naya Raipur Development Authority) - Raipur

Vadodara International Airport - Vadodara

Acropolis Mall - Kolkata

HCL - Chennai

JW Marriott Hotel - Kolkata

IIM - Raipur

Parliament House - Delhi

Tata Consultancy Services - Trivandrum

Indira Gandhi Medical College - Shimla

BJP Headquarter, Central office-Delhi

Nalanda University-Nalanda

Pragati Maidan - Delhi

JSCA International Stadium Complex-Ranchi

Zydus Hospital - Ahmedabad

Sabarmati Riverfront - Ahmedabad

Gujarat Vidhan Sabha (Sachivalaya) - Gandhinagar

Police Bhawan - Lucknow

IDA-Indore Development Authority - Indore

IIT - Gandhinagar

Rajkot Bus Port

Few of Our Prestigious Overseas Projects

Customs House (Mauritius)

Naguru Skyz (Uganda)

Dar-es-salaam International Airport (Tanzania)

Seychelles International Airport (Seychelles)

Corrosion Resistant High Grade Stainless Steel Railing Solution

Features

Weld-free complete modular system

Quality and Cost conscious systems compared to on-site fabrication.

Minimal Maintenance

Aesthetically appealing due to non-corrosive stainless steel.

1.5mm Metal Thickness

Stainless Steel is the best value option as it is "green material".

HILTI (GI) Anchor Bolt for better strength

Adapts well to strict Hygiene requirements of hospitals, laboratories etc
