 **RINOX**®
Engineered in Germany

RINOX KAUFMANN LTD.

RINOX KAUFMANN LTD., under technical collaboration from Germany, specializes in producing premium quality stainless steel hardware for architectural applications. The products are exported to more than 67 countries across the globe. Rinox is India's largest exporter of Stainless Steel Architectural Hardware to European and American continents.

RINOX has state of the art production plants in India and abroad and produces precision architectural hardware used in some of the most prestigious architectural projects across the world.

RINOX is one of the pioneers in the concept of modular Glass Fittings for Frameless Cabins. It has gained respect amongst the most quality conscious buyers across Europe and American continents. Using German manufacturing technology and strict quality norms, Rinox has become a leader in its field.

RINOX products are sold all across the globe under RINOX brand name and as private label for some of the most prestigious brands.

We have core competencies in design and manufacturing. A professional management team, multi-locational warehouses, and well trained sales team make RINOX products a winning combination for your projects.

RINOX KAUFMANN LTD., unter technischer Zusammenarbeit von Deutschland, spezialisiert auf das Produzieren von Prämié Qualität unbefleckte Stahl-Hardware für architektonische Anwendungen. Die Produkte werden zu mehr als 45 Ländern über dem Globus ausgeführt. Rinox ist Indiens größter Exporteur Unbefleckter Stahl-Hardware zu europäischen und amerikanischen Kontinenten.

RINOX hat, Staat der Kunst-Produktion pflanzt in IndieneinundimAuslandundproduziertPräzision architektonische Hardware, die in einigen der Prestige architektonischen Projekte über der Welt benutzt wird.

RINOX ist ein der Vorkämpfer in der Vorstellung modularer Glas Anproben für Rahmenlose Kabinen. Es hat Respekt unter die Qualität bewußten Käufer über Europa und amerikanischen Kontinenten gewonnen. Das Benutzen von deutscher Erzeugung-Technologie und strenge Qualität Normen, Rinox ist Leiter in seinem Feld geworden.

RINOX Produkten werden alle über dem Globus unter RINOX Marke Namen verkauft und als private Aufschrift für einige der Prestige Marken.

Wir haben Kern-Fähigkeiten in Design und das Herstellen. Ein professionelles Management-Team, Multi-örtliche Lagerhäuser, und trainierte gut, Verkäufe arbeiten Marke RINOX Produkte eine siegreiche Kombination für Ihre Projekte zusammen.

QUALITY QUALITÄT

Rinox products are developed in a state of the art research and development cell involved in creating cost effective solutions for all types of architectural requirements.

Each product is carefully designed and monitored at each stage of production.

The Research and Development (R&D) center works in close association with the marketing team, understanding the specific requirement of the customers and creating products that offer perfect solutions to the customer's needs.

Our in-depth knowledge and capability to effortlessly convert products between casting, pressing, welding and machining processes ensures that you get the finest products manufactured using the most suitable method.

RINOX products come with full warranty against any kind of manufacturing defects. They are tested by TUV-Germany, UKAS-UK, ISO and various other global certification bodies. Several RINOX products carry the CE mark – certifying that they pass the strictest European quality norms.

Rinox Produkte werden in einem Stand der Technik Forschung und Entwicklung Zelle bei der Schaffung von kostengünstigen Lösungen für alle Arten von architektonischen Anforderungen beteiligt entwickelt.

Jedes Produkt wird sorgfältig entworfen und in jeder Phase der Produktion überwacht.

Die Forschung und Entwicklung (F & E) Zentrum arbeitet in enger Zusammenarbeit mit dem Marketing-Team, die spezifischen Anforderungen der Kunden zu verstehen und die Entwicklung von Produkten, die perfekte Lösungen für die Bedürfnisse des Kunden anbieten.

Unsere vertiefte Wissen und die Fähigkeit, mühelos Produkte zwischen dem Gießen konvertieren, Pressen, Schweißen und Bearbeitungsverfahren stellt sicher, dass Sie die besten Produkte hergestellt unter Verwendung der am besten geeignete Methode zu bekommen.

Rinox Produkte kommen mit voller Garantie gegen jede Art von Herstellungsfehlern. Sie sind vom TÜV-Deutschland, UKAS-UK, ISO und verschiedene andere globale Zertifizierungsstellen getestet. Mehrere Rinox Produkte tragen das CE-Zeichen - das bescheinigt, dass sie die strengsten europäischen Qualitätsnormen bestehen.
